Some Interesting Notes From that Live Mining Camp.

WEST SIDE NOTES.

Our output of ore is steadily increasing.

There are seven mines working on the west side at present.

Joe Martin continues working a good force on the Gladys mine.

W. M. Taylor and D. Terrill have a good strike in the Minnehaha mine.

A considerable of concentrating is being done in camp with splendid results.

Ed. McKenna has the richest strike for the depth gulfed of any man in the mountains.

Recent shipments prove that west side ores pay even at the present low prices of lead and silver.

Recent strikes on the west side are an improvement over anything yet found both as to quantity and quality of the ore.

W. W. Cox has sold his ranch and sheep interests and removed to the Organ mountains and engaged in the cattle business.

It is said that a strong People's Party organization has been effected on the east side, and that all persons regardless of race, color, sex, or previous condition of servitude, are invited to attend meetings, and take part in the deliberations.

The Commodore mine owned by H. Terrill and adjoining the Silver Cave mine owned by Onstot, Overton & Hugh A. Teel, shows a fine body of soft carbonaceous ore at the 50 ft. level; also a considerable of good concentrating ore is being taken out.

I have about twenty fine young turkeys for sale and at prices to suit the times. Call at my ranch and see turkeys and prices. B. A. KNOWLES.
